Dedication

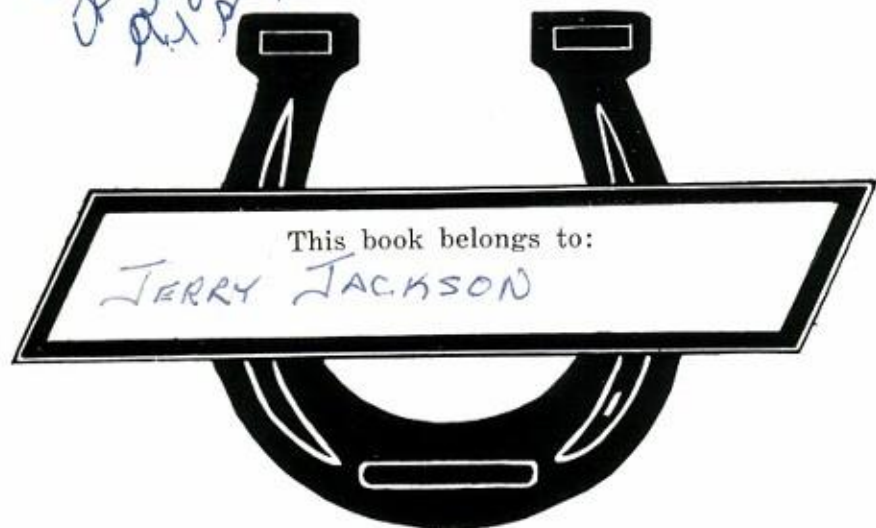

We've accomplished much these last three years
Filled with happiness, heartaches, and tears.
Memories of moments that pleasure will give,
Throughout our lives, wherever we live.
A part of us will always be near,
As we graduate from South this year.
"Best Wishes" to the Colts in all they do,
From the class of nineteen sixty-two.

Foreword

Our little boy and girl represent 3-year-old South High and this year's Senior class—the first class to start at South as Sophomores and graduate as Seniors. South High opened its doors in the fall of 1959 with an enrollment of 900 students and has grown to approximately 1200 with a faculty of 50.

"Remuda" is a Spanish word meaning a band of horses or COLTS usually taken along on a cattle drive, thus it was chosen as the name of our annual. This publication is prepared by the Journalism Classes whose other duties include: publicity releases and production of the monthly newspaper.

As we are maturing and about to enter adult life may we strive to dedicate ourselves in the concern for others' welfare. In leaving school may we take the attitude that the world will be a better place because of the efforts of each of us.

"I sincerely hope that our beloved South High School will always be known and remembered for the degree to which it has succeeded in recognizing the individual worth and personal dignity of every student who has ever been counted as one of the Colts."

Mr. Gordon Sullivan Assistant Principal

"Success, health, happiness are man's ultimate goals in life; only a very few attain these highly desired objectives—yet how strange just a very few cease striving to attain them! Any lesser goals, then by comparison should never be beyond reach."

Special Education Class

The Special Education Department affords an opportunity for children with handicaps to gain personal worth and dignity which might otherwise be difficult to achieve. A partial hearing, partial sight or other physical handicaps sometimes makes it difficult for these children to compete in all academic subjects. A slight change in environment with aids to complement the children, enables them to achieve academic and personal worth.

Ferry,
This has really been
a good year. Next year should
be even better. I've had fun in class
with you. Best of luck.

Dear Jerry,

Well, I sure do hate to say good-bye to such a cool guy as you are. Because I am older than you and because of a little gal called "Marcie" I was never able to do any better than to adopt you as my little brother, but that's life I guess. You have the cutest smile and best personality of any boy that I know, (except your friend George) and I am really glad that I got to know you so well. I really do hope that your career in golf and basketball goes along really well cause you really have ability. Be a good pros. Next year and take care of South for us. I really don't know how it will survive without our class, but with people like you in the lead it will I know. Be nice to Marcie Jr, she's really a doll and your a mighty lucky guy to have her. God bless and keep you always.

Love, (your big sis)

My Darling Jerry,

How can I even begin to tell you all that I have to say? You are the most wonderful boy that any girl could ever pray for. If I didn't have you, I would be lost because you are the reason I live each day in happiness. You will probably never know how happy you have made me! I had never gone with another boy in my life other than R. before I met you because no one seemed able to take his place. Then you came along + took my heart and my love in less than seven months. That is because you are such a tremendous boy that no one can help but love you! You've got everything a girl could possibly want in a boy + more, and I'm so very, very proud to be "Jerry Jackson's girlfriend" because I know that there are lots + lots of other girls that would give anything to be in my place. I only hope that you love me + want me as much as I love + want you because if you do we will have nothing but happiness + sweetness. Jerry, I just can't find the words to tell you what you mean to me. Even tremendous isn't going to do it this time. You are a fabulous, precious, darling boy + I love you more than you'll ever know! Isn't it funny how there was an attraction between us from the very beginning? That's why I feel that this was meant to be + that it's going to last for a long, long time. As long as you still want me I'll be with you + I'll never leave you Jerry, believe me please! South is tremendous but you have made it more wonderful than I dreamed possible!

All my love forever,
Marcia

Jer.

No one of the nicest
ever. R. Paul a real doll
and a joy to know.
I know you'll make a
cool Pres and I'm looking
forward to next year.

Yes, you are one of the
best and I hope you'll
have nothing but the
nicest thing life can
offer. May sunshine and
happiness follow one of the
nicest leaders ever.

God Bless you Jer.
Jacelyn
